Subject: Device Integration Confirmation

To whom it may concern,

As of the date of this letter, Gurtam confirms that the Xirgo LX45 tracking device is an integrated device with Wialon Hosting platform.

For the purposes of this letter, such integration means that Wialon Hosting is technically capable of receiving, processing, visualizing, and making data transmitted by the Xirgo LX45 device available for use in Wialon Hosting reports, provided that such data is transmitted to the platform in accordance with the applicable technical requirements.

This confirmation is limited to the technical integration of the Xirgo LX45 device with the Wialon Hosting platform. It does not constitute certification or verification of the accuracy, completeness, authenticity, legality, or evidentiary value of any data generated by the device, transmitted through third-party networks, or used in reports, nor does it confirm the suitability of such data for any specific purpose.

Reports and calculations in Wialon Hosting are generated on the basis of the data received by the platform from the device.

Yours sincerely,

Vadzim Frydkin
